The New York Mafia

An insider's account of the downfall of the New York Mob profiles organized crime at the height of its influence while recounting the author's participation in several lucrative heists, relating his decision to become a federal informant and the ways in which drug, greed and breakdowns in family values were ultimately responsible for the Mob's demise. Reprint.

An intimate, revealing portrait of Frank Sinatra—from the man closest to the famous singer during the last decade of his life. More than a hundred books have been written about legendary crooner and actor Frank Sinatra. Every detail of his life seems to captivate: his career, his romantic relationships, his personality, his businesses, his style. But a hard-to-pin-down quality has always clung to him—a certain elusiveness that emerges again and

Download Ebook The Sinatra Club My Life Inside

The New York Mafia. Until now. From Sinatra's closest confidant and an eventual member of his management team, Tony Oppedisano, comes an extraordinarily intimate look at the singing idol. Deep into the night, for more than two thousand nights, Frank and Tony would converse—about music, family, friends, great loves, achievements and successes, failures and disappointments, the lives they'd led, the lives they wished they'd led. In these full-disclosure conversations, Sinatra spoke of his close yet complex relationship with his father, his conflicts with record companies, his carousing in Vegas, his love affairs with some of the most beautiful women of his era, his triumphs on some of the world's biggest stages, his complicated relationships with his talented children, and, most important, his dedication to his craft. Toward the end, no one was closer

Download Ebook The Sinatra Club My Life Inside

The New York Mafia, who kept his own rooms at the Sinatra residences for many years, often brokered difficult conversations between family members, and held the superstar entertainer's hand when he drew his last breath. Featuring never-before-seen photos and offering startlingly fresh anecdotes and new revelations that center on some of the most famous people of the past fifty years—including Jackie Kennedy, Marilyn Monroe, Sam Giancana, Madonna, and Bono—Sinatra and Me pulls back the curtain to reveal a man whom history has, in many ways, gotten wrong.

into the highs and lows of their relationship as well as the intricacies of Sinatra's character, in a tribute complemented by family photographs. 125,000 first printing.

Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make The Godfather a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of The Godfather and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a

Download Ebook The Sinatra Club My Life Inside

The New York Mafia messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from *The Godfather*. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in *The Godfather: Parts I and II*, *Seabiscuit*, *Any Given Sunday* and *Rush Hour 2*, among many other films. *Hollywood Godfather* is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

A candid and eye-opening inside look at the final decades of Sinatra's life told by

Download Ebook The Sinatra Club My Life Inside

The longtime manager and friend, Eliot Weisman. By the time Weisman met Sinatra in 1976, he was already the Voice, a man who held sway over popular music and pop culture for forty years, who had risen to the greatest heights of fame and plumbed the depths of failure, all the while surviving with the trademark swagger that women pined for and men wanted to emulate. Passionate and generous on his best days, sullen and unpredictable on his worst, Sinatra invited Weisman into his inner circle, an honor that the budding celebrity manager never took for granted. Even when he was caught up in a legal net designed to snare Sinatra, Weisman went to prison rather than being coerced into telling prosecutors what they wanted to hear. With Weisman's help, Sinatra orchestrated in his final decades some of the most memorable moments of his career. There was the Duets album, which

Download Ebook The Sinatra Club My Life Inside

The Sinatra's top seller, the massive tours, such as Together Again, which featured a short-lived reunion of the Rat Pack--until Dean Martin, having little interest in reliving the glory days, couldn't handle it anymore--and the Ultimate Event Tour, which brought Liza Minelli and Sammy Davis Jr. on board and refreshed the much-needed lining of both their pocketbooks. Weisman also worked with many other acts, including Steve Lawrence and Eydie Gorme, and an ungrateful Don Rickles, whom Weisman helped get out from under the mob's thumb. Over their years together, Weisman became a confidant to the man who trusted few, and he came to know Sinatra's world intimately: his wife, Barbara, who socialized with princesses and presidents and tried to close Sinatra off from his rough and tough friends such as Jilly Rizzo; Nancy Jr., who was closest to her dad; Tina, who aggressively battled

The New York Mafia

for her and her siblings' rights to the Sinatra legacy and was most like her father; and Frank Jr., the child with the most fraught relationship with the legendary entertainer. Ultimately Weisman, who had become the executor of Sinatra's estate, was left alone to navigate the infighting and hatred between those born to the name and the wife who acquired it, when a mystery woman showed up and threatened to throw the family's future into jeopardy. Laden with surprising, moving, and revealing stories, *The Way It Was* also shows a side of Sinatra few knew. As a lion in winter, he was struggling with the challenges that come with old age, as well as memory loss, depression, and antidepressants. Weisman was by his side through it all, witness to a man who had towering confidence, staggering fearlessness, and a rarely seen vulnerability that became more

#1 NEW YORK TIMES BESTSELLER •

With a new afterword by the author in honor of Frank Sinatra's 100th birthday
This is the book that Frank Sinatra tried—but failed—to keep from publication, and it's easy to understand why. This unauthorized biography goes behind the iconic myth of Sinatra to expose the well-hidden side of one of the most celebrated—and elusive—public figures of our time. Celebrated journalist Kitty Kelley spent three years researching government documents (Mafia-related material, wiretaps, and secret testimony) and interviewing more than 800 people in Sinatra's life (family, colleagues, law-enforcement officers, friends). The result is a stunning, often shocking exposé of a man as tortured as he was talented, as

Download Ebook The Sinatra Club My Life Inside

The New York Mafia
driven to self-destruction as he was to success. Featuring a new afterword by the author, this fully documented, highly detailed biography—filled with revealing anecdotes—is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty years and continues to fascinate to this day. Praise for His Way “The most eye-opening celebrity biography of our time.”—The New York Times “A compelling page-turner . . . Kitty Kelley’s book has made all future Sinatra biographies virtually redundant.”—Los Angeles Herald Examiner

Frank Sinatra seemed to have it all: genius, wealth, the love of beautiful women, glamorous friends from Las Vegas to the White House. But in this startling and remarkably outspoken

Download Ebook The Sinatra Club My Life Inside

The New York Mafia memoir, his youngest daughter reveals to us an acutely restless, lonely and conflicted man. Through his marriages and front-page romances and the melancholy gaps between, Frank Sinatra searched for a contentment that eluded him. For the first time Tina writes candidly about the wedge his manipulative fourth wife, Barbara Marx, drove between father and daughter. MY FATHER'S DAUGHTER, with its unflinching account of Sinatra's flaws and foibles, will shock many of his fans. At the same time, it is a deeply affectionate portrait written with love and warmth, a celebration of a daughter's fond esteem for her father and a respect for his great legacy. The world remembers Frank Sinatra as one of the giants of the show business. In this book from someone inside the legend, Tina Sinatra remembers him as something more: a father, and a man.

Frank Sinatra: An Extraordinary Life is a definitive account of Frank Sinatra's life and career. With unique material and exclusive interviews with fellow musicians, promoters and friends, the acclaimed author Spencer Leigh has written a compelling biography of one of the world's biggest stars. With remarkable stories about Sinatra on every page, and an exceptional cast of characters, readers will wonder how Sinatra ever found time to make records. If this book were a work of fiction, most people would think it far-fetched
