Today, a fortune teller is the origami model that many children will first learn. It ' s the star of our new title, Origami Fortune Tellers, which has 80 uniquely designed sheets to tear out and fold. Everyone involved in making this pad remembers playing with fortune tellers when we were younger – although some of us

models like the flapping
bird and the windmill,
and some modular like
the crown and the
Christmas tree. All of the
models are fun and
would be easy enough for
kids while being fun for
adults as well.
