You can teach your dragon to sit, stand, roll over, and you can even potty train him... But what if your dragon does not like to follow rules? What if he does everything he could to get away with all the rules he hates? What do you do? You teach him that rules are good even though he hates them. So he understands the importance of rule following.

When you want your bearded dragon to come to you, all you need to do is make the shape with your hands and motion you did when feeding him. Through this process, your bearded dragon has learned to associate your scent, hand, and motions with food and positive experiences. When it senses you and your hand, it should come running! Congrats!
