". . . author Sarah Andersen uses hilarious (and adorable) comics to illustrate the very specific growing pains that occur on your way to becoming a mature, put-together grownup. Andersen's spot-on illustrations also show how to navigate this newfound adulthood once you arrive, since maturity is equally as hard to maintain as it is to find ... " --The Huffington Post Sarah valiantly struggles with waking up in the morning, being productive, and dealing with social situations. Sarah's Scribbles is the comic strip that follows her life, finding humor in living as an adulting introvert that is at times weird, awkward, and embarrassing. The third collection of Sarah's Scribbles comics includes never-before-published comics and an illustrated essay about struggles with sexism, personal growth, and the rewards and challenges of sharing your creative work with millions of readers online.

Sarah Andersen's hugely popular, world-famous Sarah's Scribbles comics are for those of us who boast bookstore-ready bodies and Netflix-ready hair, who are always down for all-night reading-in-bed parties and extremely exclusive after-hour one-person music festivals. In addition to the most recent Sarah's Scribbles fan favorites and dozens of all-new comics, this volume contains illustrated personal essays on Sarah's real-life experiences with anxiety, career, relationships and other adulthood challenges that will remind readers of Allie Brosh's Hyperbole and a Half and Jenny Lawson's Let's Pretend This Never Happened. The same uniquely frank, real, yet humorous and uplifting tone that makes Sarah's Scribbles so relatable blooms beautifully in this new longer form.

New London of 2021 is a crowded, filthy slime-pit awash with Death-Juice junkies, Latin-spouting armored fascists, exploding nuns and a religious cult who worship Bing Crosby's left testicle. It's also home to ultra-violent, foul-mouthed private eye Johnny Nemo Ð a streetwise PI who deals in death and simple solutions to complex problems. The classic, remastered collection features never-before-seen art and is the crowing glory of award-winning writer, Peter Milligan (All-New Doop, Hellblazer, Shadowman) and illustrators Brett Ewins (Bad Company, Skreemer).

Hilarious and relatable comics about one young woman's life, relationships, and day-to-day humorous musings on why it's good to leave the house sometimes—and when it's better to stay home. Cassandra Calin's ability to document the hilarity of relatable everyday events in a series of webcomics has generated a huge following on social media. This beautifully illustrated compendium of first-person comics about the trials of the single life, school, stress, junk food, shaving, and maintaining a healthy self-image. Cassandra Calin's comics frequently highlight the humorous gap between expectations and reality, especially when it comes to appearance and how much she can accomplish in one day. This book is funny, lighthearted, introspective, and artistically stunning—the perfect gift for young women, recent graduates, and anyone who might need a little comedic incentive to leave the house today.

The newest Sarah's Scribbles collection from New York Times bestselling author and Goodreads Choice award winner Sarah Andersen. The fourth book in the enormously popular graphic novel series, the latest collection of Sarah's Scribbles comics explores the evils of procrastination, the trials of the creative process, the cuteness of kittens, and the beauty of not caring about your appearance as much as you did when you were younger. When it comes to humorous illustrations of the awkwardness and hilarity of millennial life, Sarah's Scribbles is without peer.

In a one-of-a-kind graphic novel collaboration between the #1 New York Times bestselling author of *The Martian* and the beloved illustrator behind Sarah's Scribbles, Alice, Wendy, and Dorothy team up to save the multiverse, from Wonderland to Neverland and Oz. Originating as fan fiction from the brilliant imagination of Andy Weir, now brought to vivid life by Sarah Andersen, *Cheshire Crossing* is a funny, breakneck, boundlessly inventive journey through classic worlds as you've never seen them before. Years after their respective returns from Wonderland, Neverland, and Oz, the trio meet here, at Cheshire Crossing—a boarding school where girls like them learn how to cope with their supernatural experiences and harness their magical world-crossing powers. But Alice, Wendy, and Dorothy—now teenagers, who've had their fill of meddling authority figures—aren't content to sit still in a classroom. Soon they're dashing from one universe to the next, leaving havoc in their wake—and, inadvertently, bringing the Wicked Witch and Hook together in a deadly supervillain love match. To stop them, the girls will have to draw on all of their powers . . . and marshal a team of unlikely allies from across the magical multiverse. Advance praise for *Cheshire Crossing* "Deliciously funny . . . a shrewd and spirited adaptation that will leave audiences hoping for another installment . . . Andersen's delightful cartoon drawing style meshes perfectly with Weir's prose, allowing the work to broaden its appeal beyond middle graders to young adults and adults."—Kirkus Reviews (starred review)

GOODREADS CHOICE AWARD WINNER FOR GRAPHIC NOVELS AND COMICS! These casually drawn, perfectly on-point comics by the hugely popular young artist Sarah Andersen are for the rest of us. They document the wasting of entire beautiful weekends on the internet, the unbearable agony of holding hands on the street with a gorgeous guy, and dreaming all day of getting home and back into pajamas. In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. *Adulthood Is a Myth* presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah's frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.
