Much like children's poetry in English, children's poems in Spanish utilize simple repetition and describe literal imagery throughout the poem, meaning that children's poetry is a good vocabulary builder. Starting with children's poems can, in effect, be used as a strong stepping-stone to reading and memorizing more complex poetry in Spanish. Read aloud

annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

From the early 20th century to the present, Southern literary talent has flourished. The newer poets, dramatists, essayists, and novelists of this region often use their writings to comment upon the changing social values of the South, while also drawing upon traditional Southern values and qualities. This reference work presents profiles of 50 modern Southern writers of essays, poems, drama, and novels. Each profile critically comments upon their work.

NOW AVAILABLE AS AN EBOOK! Shel Silverstein, the New York Times bestselling author of *The Giving Tree*, *A Light in the Attic*, *Falling Up*, and *Every Thing On It*, has created a poetry collection that is outrageously funny and deeply profound. Come in ... for where the sidewalk ends, Shel Silverstein's world begins. You'll meet a boy who turns into a TV set, and a girl who eats a whale. The Unicorn and the Bloath live there, and so does Sarah Cynthia Sylvia Stout who will not take the garbage out. It is a place where you wash your shadow and plant diamond gardens, a place where shoes fly, sisters are auctioned off, and crocodiles go to the dentist. Shel Silverstein's masterful collection of poems and drawings stretches the bounds of imagination and will be cherished by readers of all ages. This is a collection that belongs on everyone's bookshelf. Makes a great gift for special occasions such as holidays, birthdays, and graduation. And don't miss *The Giving Tree* by Shel Silverstein, also available as an ebook!

Amy Buswell and Bruce Lansky's *Giggle Poetry Reading Lessons* turns struggling readers into happy readers

– For Grades 2-5. Many struggling readers are embarrassed to read aloud. They are often intimidated or bored by texts that conventional programs require them to practice. So, instead of catching up, they fall further behind. Currently 67% of American fourth graders can't read grade-level text. Reading specialist Amy Buswell has spent eight years looking for remediation methods that work. "What is needed," Buswell explains, "is a program that improves the motivation of struggling readers, because that accounts for 90% of the problem." Four years ago, Buswell came up with a brainstorm. She knew her best readers enjoyed reading Bruce Lansky's poetry books for pleasure. The more poems they read, the better the reading got. Why not use Lansky's kid-tested poems as texts struggling readers could practice on to improve their reading—using six research-based strategies: choral reading, echo reading, paired reading, repeated reading, sustained silent reading and "say it like the character" reading. – This book is the result of that brainstorm and the resulting collaboration between Buswell and Lansky. It gives teachers and parents everything they need to help children improve their reading: -35 kid-tested poems by Bruce Lansky -35 customized reading lessons by Amy Buswell -35 off-the-wall illustrations by Stephen Carpenter -35 sets of zany performance tips by Bruce Lansky ...all of which is designed to make the process of reading improvement more like fun than work. – What Amy Buswell and Bruce Lansky have created is the most entertaining fluency intervention ever. That's why it is so successful at overcoming negative attitudes to improve reading skills and scores. Ninety-five percent of participating students made significant improvement in their fluency (reading rate). And average reading scores on the Florida Comprehensive Assessment Test (FCAT) for Buswell's school raised her school's rating to an A for the first time. In 2011, Buswell's school achieved one of the highest-percentage reading gains in the county. – There's no reason parents can't get in on the fun, too. Parents will enjoy Lansky's funny poems and Stephen Carpenter's delightful illustrations as much as their children. By reading the poems with their children and encouraging their children to try some of Lansky's entertaining performance tips (by adding gestures, sound effects, props and finding additional readers: be they friends, family or neighbors), they can dramatically speed up their child's reading progress (and have lots of fun in the process.)

Something big is right here! It is this book of wonderful, funny new poems by Jack Prelutsky. If you've read *The New Kid on the Block*, you have some idea of the treat ahead. And if you haven't, all you have to do is start reading! Here are four vain and ancient tortoises, a rat of culture, Super Samson Simpson, a meat loaf that defies an ax, five flying hotdogs--and many, many more people, animals, and things that are destined to become part of the lives of everyone who loves to laugh. Say them, chant them, learn them by heart, or just read them--Jack Prelutsky's poems are incomparable. The long-awaited companion to *The New Kid on the Block*.
