Poverty is a worldwide epidemic. About one-sixth of the world's population makes less than \$1 a day and another two billion people, or one-third of the world's population, make less than \$2 a day. Poverty wastes lives, encourages crime, fosters illness and builds political instability. Anti-poverty programs have existed since the 19th century.

Up and Out of Poverty: The Social Marketing Solution ...

Thursday, August 3, 2017 MONTHLY. Up and Out of Poverty. The nine counties and cities of Ningde Prefecture constitute one of Fujian's more impoverished regions. During their nearly two years working in Ningde, Xi Jinping and the departments under his leadership took the lead in implementing their "four grassroots initiatives," which encouraged leading officials to investigate complaints and listen to ideas at the grassroots level; to go down to the grassroots to handle official business on ...
