In Südtirol liegen schroff-alpine Bergwelten und lieblich-mediterrane Täler auf erstaunlich engem Raum nebeneinander. Die mächtigen Gletscherwelten in den Ötztaler Alpen und die bizarren Felsformationen der Dolomiten bieten einzigartige Naturerlebnisse und zugleich hervorragende Bedingungen für Wanderer und Wintersportler. Nur wenige Kilometer davon entfernt, in den von Zypressen, Palmen und Weinhängen geschmückten Tälern des Südtiroler Südens, fühlt man sich fast schon ans Mittelmeer versetzt. Südtirol weist eine erstaunliche Dichte an romantischen Burgen und Ansitzen sowie im westlichen Teil eine europaweit einzigartig Fülle an romanischen Kirchen auf. Bozen beeindruckt mit seiner Urbanität, Meran mit seinen Kuranlagen und Villenvierteln, Brixen mit seinem geschlossenen historischen Ortsbild. Die Symbiose mediterraner und österreichische Traditionen zeigt sich nicht zuletzt in der hervorragenden regionalen Küche, und das Klima am Rand der Dolomiten begünstigt den traditionsreichen Weinbau. Dieser Reiseführer stellt Südtirol in seiner Vielfalt umfassend vor und bietet neben ausführlichen Hintergrundinformationen umfangreiche reisepraktische Tipps sowohl für Kultur- als auch für Aktivurlauber.

The 38 summer day walking routes in this guidebook explore the renowned Stelvio National Park in the Italian Rhaetian Alps. Bordering the Dolomites to the east, and Switzerland to the west, the Stelvio is one of the largest protected areas in all of the Alps. The walks explore each of the Stelvio's valleys, are graded for difficulty and range from 4 to 18km. There is plenty for active holidaymakers; from easy strolls to strenuous climbs to panoramic summits for experienced walkers. The Stelvio's unspoilt landscape ranges from valley farmland to forested hillsides and alpine meadows, and up to a wilderness of rugged glaciated summits and ridges, the highest of which is Ortler, at 3905m. The guidebook also includes plenty of background information on local wildlife and cuisine, as well as planning details such as what to take and dos and don'ts. The guide also contains accommodation suggestions, including campsites, B&Bs, hotels and mountain huts in the National Parks picturesque towns and villages such as Bormio, Suldén and Martell Dorf. Close to Milan, Verona and Innsbruck, with good public transport throughout, the Stelvio National park offers extensive, spectacular Alpine walking, with this as the first English-language guide to the area.

This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.
