Leaks: look around the  
area below the engine.

Ensure there are no  
liquids such as water, oil  
or fuel in the bilge.

Always keep the engine  
basin very clean so  
leaks show up easily.

Electricity: make sure

# Where To Download

all the wires are secure and there are no loose ends. Strainers: check the sea strainer or strainers. Ensure they're free from debris.
