General Information The VISTA-15 has preset time  
delays, known as exit delay and entry delay.  
Whenever you arm your system, exit delay gives you

## Read PDF Vista 15 User Guide

time to leave through the designated exit door without setting off an alarm. Exit delay begins immediately after entering any arming command, and applies to all modes of arming protection. Page 8: Exit Alarms

The VISTA-15 offers you three forms of protection: burglary, fire, and emergency. Your system consists of at least one keypad, which provides control of system operation. The system includes various sensors that provide perimeter and interior burglary protection, plus smoke or combustion detectors designed to provide early warning in case of fire.
