Some animal facts are weirder than others. Yes, we all know that cheetahs can run faster than motorcycles, and that bats navigate using sound waves, but those tidbits of information aren't nearly as entertaining as immortal jellyfish, butt-breathing turtles, and three-hearted octopuses. Below you'll discover 10 truly weird (and true) facts about 10 truly weird (and real) animals.

The 10 Weirdest Animal Facts - ThoughtCo

It's seldom that adult animals play together, but polar bear courtship is one of the rare exceptions. Polar bear dates consist of skiing down slopes, trampling through the snow and rolling around. Praying Mantis. A female praying mantis lures males with pheromones and sometimes, rather than mating, will bite the head of her suitors.
