Am An Atheist

More than three years ago I wrote a post entitled Why I'm An Atheist, where I briefly explained some of the reasons why I don't believe in god. That post, which was long over due at the time, needs an update. With each passing year I get much better at understanding the arguments for and against the existence of god, and since that post came out I've created several new arguments of my own.

Why I am an Atheist - Marxists Internet Archive

The Problem of Evil continues to be a pretty good reason to be an atheist. 4. Oh, Hell! The concept of Hell is probably one of the most disturbing religious ideas ever conceived by man. It was great to strike fear in the hearts of evil doers back in the day, but today our morality has evolved quite a bit.

5 Pretty Good Reasons to Be an Atheist | HuffPost

To you, the atheist, we ' d respectfully like to summarize that biblical message as follows: God loves you so much that He made a way to be forgiven for every sin, so you can spend eternity with Him. The Bible says that each person needs to be saved (Romans 3:23), each person can be saved (Romans 1:16), and God wants each person to be saved (2 Peter 3:9).

I am an atheist. Why should I consider becoming a ...

One of the reasons I am an atheist is because I honestly wanted to know the truth. Most Christians do not honestly examine their faith. The overwhelming majority of them will never read that book or one like it. So if nothing else, read God or Godless.

List of atheists in politics and law - Wikipedia

Why I Am An Atheist Raymond Tallis examines his happy disbelief. I suppose I have been more or less an atheist since my teens, although, given my early exposure first to Catholicism and then to Anglicanism, it was probably some time later that I entirely shook off the feeling that a posthumous comeuppance might be awaiting me.

Why I Am An Atheist | Issue 73 | Philosophy Now

Atheism makes me happier for the simple reason that it means that I am responsible for my own choices in life. I find the traditional Judeo-Christian god to be very paternalistic (hardly an original thought, I know). We can be good children and

Why I Am an Atheist

“ Frank Schaeffer always writes well, but Why I Am an Atheist Who Believes In God is extraordinary. Somewhere between the sterile, absolute, and empty formulae of reductionist, totalitarian science and the earnest, hostile, excessively certain make-believe of religious fundamentalism, there is a beautiful place.

A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

We know Bhagat Singh as the revolutionary who challenged the British rule and sacrificed his life for the motherland. But very few of us know that he was also an independent thinker. Why I am an Atheist is an essay written by him in 1930 in Lahore Central Jail. The essay was a reply to his religious friends

who thought Bhagat Singh became an atheist because of his vanity. After the death of Bhagat Singh, the essay was published on 27 September 1931 in Lala Lajpat Rai's English weekly 'The People'. In this essay, he extensively talks about his beliefs and how he reached the conclusion that there exists no god.

Bhagat Singh is a name that became synonymous with revolution in India 's struggle for Independence. This young boy brought about a change in the way people thought about freedom. He was well read and fought extensively for rights – his own, his comrades ' and his countrymen ' s. A discussion with a friend soon turned into a matter of self-assessment for Bhagat Singh, leading to a discourse on why he chose to be an atheist. Even in the face of death at a very young age, his uncanny observation leads to his putting forth some pertinent questions. On another occasion, he was disappointed with his father ' s plea in court for his innocence and chose to write a letter to him. This book is a collection of eighteen of his valued writings from within the walls of prison and outside it, which show us the resolve in his words, and the bravery in his acts subsequently.

Caught between the beauty of his grandchildren and grief over a friend's death, Frank Schaeffer finds himself simultaneously believing and not believing in God--an atheist who prays. Schaeffer wrestles with faith and disbelief, sharing his innermost thoughts. He writes as an imperfect son, husband and grandfather whose love for his family, art and life trumps the ugly theologies of an angry God and the atheist vision of a cold, meaningless universe.

Eleven Christians on eleven diverse paths to faith in Jesus Christ. This book is the compilation of their answers and experiences written in response to Bertrand Russell's *Why I am not a Christian*.

The essential guide to coming out as a non-believer David G. McAfee was raised in a conservative American Christian household. So when he stopped believing in God—any god—his family was shocked. He quickly realized that atheists are misunderstood, frequently thought of as Satan worshippers and anarchists. Thus started McAfee's journey to his true self, and crusade to tell others—especially those who are devoutly religious—what atheism really is, what he believes in, and why atheists should not be feared. In *Hi, I'm an Atheist!*, McAfee looks at what an atheist believes and how to “ come out ” as an atheist to your friends, family, and co-workers, offering sound advice on overcoming the difficult moments in any “ coming out ” conversation. Including a resource guide both for people just coming to atheism and people who have been atheists for years as well as an interview with Rebecca Vitsmun, the woman made famous for coming out as an atheist live on CNN, *Hi I ' m an Atheist!* is a smart, sensitive, and realistic guide to living one ' s life positively and honestly without the need for a belief in God.

For about two decades John W. Loftus was a devout evangelical Christian, an ordained minister of the Church of Christ, and an ardent apologist for Christianity. With three degrees--in philosophy, theology, and philosophy of religion--he was adept at using rational argumentation to defend the faith. But over the years, doubts about the credibility of key Christian tenets began to creep into his thinking. By the late 1990s he experienced a full-blown crisis of faith. In this honest appraisal of his journey from believer to atheist, the author carefully explains the experiences and the reasoning process that led him to reject religious belief. The original edition of this book was published in 2006 and reissued in 2008. Since that time, Loftus has received a good deal of critical feedback from Christians and skeptics alike. In this revised and expanded edition, the author addresses criticisms of the original, adds new argumentation and references, and refines his presentation. For every issue he succinctly summarizes the various points of view and provides references for further reading. In conclusion, he describes the implications of life without belief in God, some liberating, some sobering. This frank critique of Christian
