These essays examine how tango is taught, danced, perceived, and experienced today. The author's experiences resonated with my own, and helped me understand why not everyone perceives tango the same way. (The content rates fives stars, but as an editor, I knocked off one star because I found myself fixing a lot of writing errors in my head.)

~~Why we suffer when learning tango | Story | Tangofolly~~

The reason for this is that Tango was created by the kinds of people who generally leave no mark on history except by dying in wars - the poor, the underprivileged. Often we have to pick our way through comments made by people who were not part of their culture, who knew little or nothing about Tango.

~~What makes tango unique? - SoTango~~

Tango invites you into an embrace whose arms you never want to leave. It is a dance of intertwined bodies engaged in a dialogue of limbs, which caress the floor and each other, creating a moving seduction. Tango is language evolved. Tango, the music and the dance, has a complex history, the details of which vary depending on who you read or listen to.

Tango classes are a lot of fun and newcomers tend to pick up the dance quickly. To learn at home, several videos are available for purchase online. When learning by video, it is recommended to try to take at least a few classes when feeling confident enough, as nothing can take the place of live, hands-on instruction.
