As Detective Superintendent Hannah Bernstein of Special Branch lies recuperating in the hospital, an enigmatic shadow from the past, burning with hatred, steals into her room and finishes the job. Consumed by grief and rage, Dillon, Blake Johnson, and all who loved Hannah swear vengeance, no matter where it takes them. But they have no idea of the searing journey upon which they are about to embark-or of the bloody war into which they are about to charge. Filled with dark suspense, driven by characters of complexity and passion, Without Mercy once again proves that Jack Higgins is the unchallenged master of international intrigue.

Jack Higgins pits the heroic covert intelligence team of Blake Johnson and Sean Dillon against a hidden foe in a very different kind of game-with a very different set of rules.

General Charles Ferguson, Commander of the British Prime Minister's private hit squad and adviser to the new president of the United States, has been given a disturbing recording from Afghanistan, on which the murders of American Army Rangers and a British medical team are recorded. About half of the Taliban force voices on the tape are British. One authoritative voice is Irish; code name: Shamrock. Shocked that one of their own could be responsible for a massacre, General Ferguson tasks Sean Dillon with hunting the traitor. But even as Dillon goes to war, the war is coming to him...

Jack Higgins's previous novels Edge of Danger and Midnight Runner put British intelligence agent Sean Dillon through 'a lot of thrills [and] wild action' (Los Angeles Times). Now a new enemy has emerged with a dark secret from World War II--and a score to settle with agent Dillon.

Jack Higgins "doesn't stint on action" (Publishers Weekly) in this New York Times bestseller featuring black ops specialist Sean Dillon. On a Long Island pier, a trusted operative for the President is wounded by gunfire. In London, an adviser to the Prime Minister approaches his car when it explodes. In New York, British soldier-turned covert operative Sean Dillon is approached by a man with a pistol in his hand... Someone is targeting members of an elite intelligence unit known as "the Prime Minister's private army" and all those who work with them. The culprit has a full complement of resources at his command-and Dillon has an idea of who it may be: an old nemesis out to destroy the unit out once and for all. But proving it will be difficult. And surviving it might be impossible.

The hunt is on for a fortune in stolen British gold in this New York Times bestselling Sean Dillon novel. Irish militant Michael Ryan wants to finance war in his homeland-and a sinister pact with the New York Mafia will make his dreams a savage reality. Former IRA enforcer Sean Dillon now works for the British government. His mission: retrieve the gold lying shipwrecked at the botton of the Irish Sea by any means necessary-and finish Ryan's bloody plot before it gets off the ground. Two deadly men are locked in a furious race, with millions of dollars-and lives-hanging in the balance...

Twenty years after his affair with a beautiful Frenchwoman in Vietnam, Jake Cazalet finds out he has a daughter. He must keep it a secret--but years later, when he is President of the United States, someone discovers the truth. Ans when his only child is kidnapped by a terrorist group, he must count on British operative Sean Dillon and FBI agent Blake Johnson to find her.

They call themselves "January 30", after the date of a British massacre in Belfast. They are allied with no one, killing American diplomats and KGB agents, Arabs and Israelis, IRA gunmen and Loyalist soldiers. But they are definitely the enemies of peace--and they are plotting an assassination that will shatter an uneasy truce that reigns in Ireland. Former IRA enforcer Sean Dillon must hunt down January 30 before they kill again. Before they spark another war. Before Dillon himself falls prey to the ultimate assassin--the Angel of Death...

Outspoken Russian writer Alexander Kurbsky wanted to 'disappear' into the West. To avoid the wrath of the ruling elite, he makes elaborate plans with covert experts Charles Ferguson and Sean Dillon for his escape. It's a real coup for the West--except for one thing: Kurbsky is still working for the Russians. And his master plan is about to unfold.

Sean Dillon takes on a mission of mercy, in which he will be shown none. Intelligence operative Sean Dillon stops Caspar Rashid at Heathrow Airport?and is pulled into danger. The man?s daughter has been kidnapped by Rashid?s own father and taken to Iraq to be married to one of the Middle East?s most feared terrorists. Rashid begs Dillon for help?but he has no idea of the terrible chain of events he is about to unleash, nor of the danger he is about to face.
