What Is Transactional Writing? Transactional writing is an umbrella term that covers many different nonfiction writing genres. The purpose of each transactional writing text type is to communicate ideas and information to others. The purpose of a text can be defined as: To persuade. To argue . To advise. To inform.

Transactional writing for students and teachers — Literacy ...

Writing and reading are sufficiently different to defeat the assumption that they are mirror images: The reader does not simply reenact the author's The Transactional Theory of Reading and Writing 1387 process. Hence, it cannot be assumed that the teaching of one activity automati- cally improves the student's competence in the other.
