This essential guide from the experts at Dirt Rider magazine covers everything from riding and repair basics to motocross tricks and flips. Affordable and easy to ride, dirt bikes are a great way to enjoy the great outdoors and build riding skills. Whether you just want to enjoy a ride through the backcountry or you're gunning for motocross stardom, this book is full of hand-on tips and tricks to get you there. The Total Dirt Rider Manual covers: Gear: Learn how to buy the right bike for you, whether you're looking at new models or used rides; suit up for style safety, and comfort; and adapt your gear to a wide range of riding conditions. Riding: Get all the information you need to enjoy a casual day on the trails or to compete year-round. Wrenching: The best of Dirt Rider magazine's "Dr. Dirt" feature, providing step-by-step tutorials for repairs of all kinds. Suspension: A bike's suspension is vital, expensive to fix, and tricky to diagnose. This special section offers clear, practical tips from America's top race-bike mechanics that could save you thousands of dollars.

Every red-blooded motorcycleist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a bike, deciding on a destination, bike preparation, documentation and shipping, trans-continental route outlines across Africa, Asia and Latin America, and back-country riding in SW USA, NW Canada and Australia. Plus--first hand accounts of biking adventures worldwide.

For undergraduate and MBA Cost or Management Accounting courses The text that defined the cost accounting market. Horngren’s Cost Accounting, defined the cost accounting market and continues to innovate today by consistently integrating the most current practice and theory into the text. This acclaimed, market-leading text emphasizes the basic theme of “different costs for different purposes,” and reaches beyond cost accounting procedures to consider concepts, analyses, and management. This edition incorporates the latest research and most up-to-date thinking into all relevant chapters and more MyAccountingLab® coverage! MyAccountingLab is web-based tutorial and assessment software for accounting that not only gives students more “I Get It” moments, but gives instructors the flexibility to make technology an integral part of their course, or a supplementary resource for students. Please note that the product you are purchasing does not include MyAccountingLab. MyAccountingLab Join over 11 million students benefiting from Pearson MyLabs. This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyAccountingLab to accelerate your learning? You need both an access card and a course ID to access MyAccountingLab. These are the steps you need to take: 1. Make sure that your lecturer is already using the system Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system. 2. Check whether an access card has been included with the book at a reduced cost If it has, it will be on the inside back cover of the book. 3. If you have a course ID but no access code, you can benefit from MyAccountingLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyAccountingLab (ISBN : 9781292079080) 4. If your lecturer is using the MyLab and you would like to purchase the product... Go to www.myaccountinglab.com to buy access to this interactive study programme. For educator access, contact your Pearson representative. To find out who your Pearson representative is, visit www.pearsoned.co.uk/replocator

Anyone who's tuned in to a White Sox game during the past four decades has heard his calls and catchphrases: "Mercy!" "Rack 'em up!" "He gone!" Ken Harrelson is a man who knows how to talk and is brimming with stories, but even the most dedicated fans haven't heard them all; many of "Hawk's" most memorable tales are simply not suitable for television broadcasts. Now, in his memoir, Harrelson opens up on a wide variety of topics, from his volatile childhood, to life in the major leagues, to stints as a professional golfer and MLB general manager, and of course his storied years in the broadcast booth. He minces no words when reflecting on brawls, blowups, and encounters with figures ranging from Mickey Mantle and Arnold Palmer to Frank Sinatra and Bobby Kennedy. Packed with the enthusiasm and candor audiences have come to expect, Hawk is a no-holds-barred look at a singular life and career.
